American Cancer Association Relay and Volunteer Opportunities

The American Cancer Society has two strong needs for volunteers right now. The first is the upcoming Relay for Life of Waterville. It will be held on Friday, Oct 23rd at 6pm to 6am on Saturday, Oct 24th. We are looking for volunteers to help set up and decorate starting at 4pm, as well as with activities throughout the night, and pick up from 5:30 to 7am. If you know of anyone who is interested in helping at Relay, please have them either e-mail me or call me.

Our other great need is for people to help transport cancer patients to and from their treatment and doctor appointments. We are looking for folks with a reliable vehicle, and a valid drivers license to do this driving. We have a lot of people that need rides, and are very short on volunteers to give these rides.

Please let me know if either of these things are something you think the students would be interested in talking more about. My phone number is below if you'd like to chat more in-depth about either of these things.
