Good Shepherd Food Bank and the Maine Lions

The Lions of Maine are raising \$151,000.00 to purchase a generator for the Good shepherd Food Bank. During any power outages the Bank could lose all their perishables in a matter of hours. Together, with Lions Club International Foundation, we are committed to raising matching funds to purchase this generator. LCIF will **give** us a grant for \$75,000.00. We have to make up the difference. Eighty two clubs throughout the state are working on this endeavor.

So when you see a fundraiser (such as the Second Annual Hunter's Widow Basket Bingo to be held 10/31/09 at 10 AM at the Skowhegan Elks Lodge), donate, contribute, or participate toward this worthy cause.

So who said that Shepherds and Lions can work together!!
