

MHT 124: Psychosocial Rehabilitation

Lesson 6: Principles of PSR

CASE STUDY

Reflection on Principles

The principles of PSR can be summarized as follows:

- Hope
- Respect and Dignity
- Real World
- Multicultural
- Self-determination
- Individualized
- Informal and Participatory
- Preventive

Reflect on how the plan, the environment, and your behavior in implementing the plan will provide strengths and challenges associated with complying with each of the principles associated with PSR.
