

Is this a normal/typical day?? If no, explain.

How do you feel about today's experience??

Being present – Engages with children in a positive manner (joins in on child-initiated play, displays positive body language, uses “real” voice, scans room to assure safety of children and positions themselves where they are needed among the children etc.)

Needs Improvement Okay Good Excellent

Making connections – Acknowledging and validating children (greet children by name, stays in the moment, active listening, personalizing conversations with children about *their* interests and experiences, etc.)

Needs Improvement Okay Good Excellent

Extended Learning - Stretching the child's knowledge and understanding (asks open-ended questions such as why, how and what do you think, poses “I wonder” questions, uses new and rich vocabulary when appropriate, allows children to independently problem solve and intervenes when appropriate, etc.)

Needs Improvement Okay Good Excellent
